OTTAWA COUNTY ARPA APPLICATION INSTRUCTIONS

I. APPLICANT INFORMATION: A - F are self-explanatory, but it is very important that a contact person be provided, along with a telephone number in case there are any questions about your application.

II. PROPOSAL INFORMATION

A. The Oklahoma State Auditor & Inspector's Office must approve the proposal as an eligible project under the issued ARPA guidelines. Ottawa County will submit this form to the auditor's office and attach the form to this application if approved.

B. Title of Proposal – A title for the proposal must be included.

C. Other funds available – Could this project possibly be funded by funds other than the county's ARPA funds?

D. Past attempts – Has the applicant applied for funds in the past and been denied? If so, why?

E. Amount requested – This is the amount you need from Ottawa County ARPA funds to complete the project.

F. How does the proposed expenditure respond to the need or risk of COVID-19 in the County? This is just a brief explanation for the front page of the application. More detailed information should be attached, see item "G".

G. Detailed Narrative - please provide a detailed description of the proposal, including an explanation of how the project will respond to the need or risk of COVID-19 in the county. Graphs, photos, and other media are encouraged. An explanation of how the project will positively impact the county is required.

H. Detailed Budget – please include a line-item budget, including the requested amount of funding and any matching funds committed to the project. Matching funds are not required. Cost estimates and quotes that total the project budget must be included.

I. Memorandum of Agreement must be completed and attached to this application. These agreements will be attached later if the application is approved and selected for funds.

J. Applicants signature and date signed – The second page must be signed and dated.

Please email arpa@ottawa.okcounties.org with any questions.

Signature of Authorized Representative: _____ . Date: _____ .
